RED JEANS
EAU DE TOILETTE 75 ML

A surprising and pungent perfume, a play of contrasts between colour and transparencies and between nature and magic. Velvety flowers (freesia, ylang-ylang and waterlily) give it a cheerful start, from which steps out the liveness of lilac stalks and the explosive fruity and transparent hint of red currant. suddenly, a bouquet of flowers (gardenia, red peony, jasmine and violet) highlights its innocent femininity that becomes more decisive with the mingling of exotic woods (cashmere and sandalwood) together with the intriguing accent of vanilla and musk.
